**Aims and Objectives***What do you wish to achieve by providing regulated activities?  
How will our service help the people who use your services?*

To provide the best possible quality service for our patients within a confidential and safe environment by working together to treat their health.
To show our patients courtesy and respect at all times irrespective of ethnic origin, religious belief, personal attributes or the nature of the health problem.
To involve our patients in decisions regarding their treatment.
To promote good health and wellbeing to our patients through education and information. This will involve preventative medicine and screening.
To work in partnership with our patients, their families and carers towards a positive experience and understanding, involving them in decision making about their treatment and care.
To encourage our patients to communicate with us by joining our Patient Participation Group, talking to us, participating in surveys and feeding back on the services we offer.
To ensure all members of the team have the competency and motivation to deliver the required standards of care ensuring that all members of the team have the right skills and training to carry out their duties competently.
To work in partnership with other agencies to tackle the causes of, as well as provide the treatment for ill health and where appropriate involve other professionals in the care of our patients.
To provide our patients and staff with an environment which is safe and friendly.

**Description of Location**

The building is a bungalow situated in the centre of Kirkby in Ashfield town centre with disabled access. On the ground floor we have the main reception desk, waiting area, one treatment room, 4 consulting rooms, patient toilet with baby changing facilities. The upstairs has been refurbished to incorporate a large staff room, office, kitchen and staff toilets.
